SPECIAL OFFERS FOR GROUPS

The Global Addiction Secretariat offers exclusive benefits for organisations bringing a group of 10 or more delegates to the conference

Increase your group size at the original registration rate

As long as 10 or more places are purchased, and paid for before the expiry date when the initial booking is made, additional places can be purchased closer to the conference **at the same rate**.

Provide delegate names just before the conference

We realise that organisations will not have the names of all delegates when making a group booking. You are therefore not required to provide the names of delegates until two weeks before the conference.

Advance conference bag and badge collection

Avoid the queues at the registration desk! Group representatives can collect conference bags and badges for their group the day before the conference starts.

Cancel up to 10% of the original booking at no cost

Groups can cancel up to 10% of their original booking and receive a 100% refund. For example - if 30 places were booked, 3 could be cancelled free of charge. This offer is valid until one week before the conference starts.

Discounts for Groups of more than 50 delegates

We also offer discounts for groups of more than 50 delegates on a sliding scale. The full rate is paid for the first 50 delegates, then places 51-74 qualify for a 10% discount, and places 75-100 qualify for a 20% discount. This means the increasing discount is only applied to the additional places and not the total number of places.

Group Bookings can be made online at www.globaladdiction.org or by emailing us at jr@cortexcongress.com
